*Training Total is based on FAA minimum requirements so you can accurately compare schools. The average customer will need more flight training than the FAA minimums. Additional time is billed at an hourly rate. Prices are subject to change without notice. Prices current as of March 2023.

You will need a total of 250 hours of flight time prior to Checkride. **We offer discount time-building options as low as \$100 per hour to help you meet this FAA requirement.**

Many of our students will complete the Commercial Pilot Course near the FAA minimum but others need more experience to become safe and competent pilots. Our goal is your safety and success.

** Other Expenses - These expenses are only estimates as many of the expenses are not charged or collected by the school.
